**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports competitive providers.

I currently only have ATT or Comcast.

Comcast keeps raising my fees. I would love to see more competition in my area.

I would really love to see Sonic in my neighborhood. I'm told that my neighborhood's 'underground lines' do not support Sonic at this time. I just have to ask...what is keeping Sonic from updating those old lines?

I live in a senior community. Have been for 5 years now. I would dearly love to say good-bye to ATT and Comcast.
